

"WE DIDN'T HAVE A MOMENT OF FEELING BORED OR FRUSTRATED, WE WERE ALWAYS ENGAGED AND ACTUALLY LEARNED A BIT ABOUT OURSELVES."

RESULT BASED ACTIVITY

Having a fun team building day while working and reporting on leadership, group dynamics, multiple intelligences and social engagement. Spotlight Events is combining it with Result Based Activities.

THE REPORT

The report generated by Spotlight Events is custom made for your business, and include data regarding leadership, group dynamics, multiple intelligences and social engagement within your business.

THE PROCESS

Staff members will all answer a questionnaire that won't take more than 3 minutes prior to the activity. Spotlight Events will adjust activities and teams according these questions. After the event staff members will reflect and evaluate on the activity and their own behaviour. This will generate enough information for Spotlight Events to create a report good for next meeting , staffing opportunities and business development.

THE COST

You can get a result based activity report as an add-on with your team building activity booked through Spotlight Events for as little as \$15 p.p.
